Welcome to Frostwork Saloon!

How the menu works:

- When you eat at the Saloon, you receive a buff and a debuff that goes into effect next time when you go on an adventure. (Optional)
- If you eat multiple items, you choose one buff and one debuff from the items that you consumed.
- Menu is subject to change.
- Discuss with your DM how your buffs and debuffs should be implemented.
- Feel free to give suggestions and it will be taken into consideration.

Ak'chili

A bowl of chili, made in a Xaela style with spices and crackers on the side. Eating it will make you feel that poison and bleeding is pointless in a fight. The zest will leave a lingering bite for a while.

(You think you are right about everything / You aren't)

Ul'dah Union
